**Youth Hurt As Auto
Strikes Parked Car**

David A. Christensen, 17, of 1650 W. 214th St., received minor injuries Sunday when he crashed into a parked car in front of 1727 W. 235th St., according to Torrance police.

Christensen, who was treated at Harbor General Hospital, told officers he was adjusting the car mirror when he rammed into the parked auto. Owner of the damaged car is Glen Hanson, of the 235th St. address.

Hi-Lites Of Seaside Heights

By GRAYCE RYCKMAN
FRontier 5-2410

A special Seaside PTA Board meeting was held at the school last Wednesday. Presiding was our new president, Mrs. Loren Edman. New chairmen were ratified, general plans for the coming year were discussed, and coffee was served. Present from the Heights were Mesdames Ross Leonard, Preston Nix, Jack Oakes, C. J. Herbst, and E. E. Ryckman. Also on the board but unable to attend, was Mrs. Eugene Eberle.

We are very sorry to say that Mrs. Jack Oakes will be resigning from the board very soon as the Oakes family is selling its home on Doris Way and moving to Lancaster or Palmdale. Jack has been transferred to the Edwards Air Force Base out that way. They really will be missed by all who knew them.

We hear also that the Jim Clark family spent the Fourth picnicking with many other folks from Arkansas.

Oh, here is a little chore that came up during the PTA meeting: Thelma Shockney, library chairman, reminded us that the books from last year need much mending before school starts again. So . . . a date has been set, and anyone who can

possibly give the time is asked to come down to school and get those books fixed up. The date . . . Wednesday, July 16, around 10 a.m. . . . Come on, neighbors . . . let's all help.

Bernadette Weber, of 5129 Zakon Rd., was rushed to San Pedro Hospital Tuesday evening, July 1, and was operated on early next morning for a serious infection. She came home the next day and is supposedly taking it easy for some time. However, I heard that the whole Weber family? Bernadette, Bill, Johnny and Arlene had a wonderful time at a family picnic on the Fourth!

Mr. and Mrs. Alex Leverenz, of Zakon Rd., borrowed the use of Ted Marchel's barbecue and yard on the 4th of July and invited Ted (their next door neighbor), Mr. and Mrs. Fred Martin, and Mr. and Mrs. M. T. Phillips to a barbecue dinner and fireworks celebration that evening.

The Frank Renz family of Zakon Rd. had a BIG dinner and fireworks display on the 4th also. The dinner must have been a relay sort of affair, as there were so many present. Mrs. Renz folks . . . Mr. and Mrs. James Parker, her sister and husband . . . Mr. and Mrs. Charles Bacon, her husband's boss . . . Mr. Joe Faustner and his three children, their neighbors . . . Mr. and Mrs. Richard Branson and their daughters, and her cousin . . . Mrs. Ann Stewart. In fact, her cousin stayed for the week-end. Have you relaxed yet, Alpha?

The Fourth served a dual purpose for the Jurisich family. Pete celebrated his birthday, which was actually the 7th, with his best friend's son, Jim Schweider, who is now 7 years old. Pete didn't tell his years. Pete and Jo and their two boys, and Mr. and Mrs. Al Schweider and their two sons spent a good part of the day at the Palos Verdes swimming pool.

Mr. and Mrs. R. T. Gansden of 5120 Zakon Rd. just returned last week from a trip to Oshkosh, Wis., where they used to live. And they drove back in a different car.

Expected home at the end of the week are Joan and Fred Filgiano and son Jerry, also of Bindevald Rd. They left last week for a real vacation rest in beautiful Yosemite.

**Wailing Sirens Get on Nerves
Of Chamber of Commerce Members**

Those teeth-shattering, wailing sirens on emergency vehicles that scream through town have begun to get on the nerves of the Chamber of Commerce.

Apparently the high-pitched screams of ambulances and police car sirens have jangled the nerves of other citizens . . . followed by a police car with its siren shrieking at high pitch.

One of the suggestions to be offered the ambulances enroute to the Harbor Hospital is to use East Rd. to Western Ave., traveling along the easterly side of National Supply, then eastward on Carson St. to the hospital. This route would eliminate the ambulances from slicing through the very heart of Torrance.

Asked, "What is the next step to be taken by the Chamber?" the Chamber instructed the secretary to seek the cooperation of several ambulance companies and the police department.
